13 - What do you consider to be this TA's greatest strength?	
Response Rate	15/19 (78.95%)

- Hes very personable and prepared
- He cares about his students and is always willing to help, even if it is something like a technology problem that he himself does not know how to solve.
- This TA was extremely helpful, could answer any question, and very clearly communicated concepts to the class as well as instructions for the lab.
- Daniel is very enthusiastic, personable, and enjoys working with students. He is easy to talk to and never makes students feel stupid for asking questions. He knows the material well, and if he doesn't immediately know the answer to a question, he works to find it to assist with students' understanding.
- Daniel was really good about breaking things down for us and being really involved with helping us in anything we needed.
- Communication and patience and good sense of humor
- His personality! You can tell he's so passionate about the subject and does an amazing job explaining everything.
- engagement and answering questions
- great communication and very enthusiastic
- he’s always very friendly and easily approachable
- He explains content very well!
- He is very personable and clearly cares about the students
- Danial was very helpful and always kept the energy high
- He is extremely helpful in everything
- Daniel was an amazing TA. Some of his strengths are a strong work ethic, good communication skills, and good organization. He was always really prepared for class and went above and beyond to check on students during lab to ensure everything was running smoothly. He is really easygoing, but professional when it came to course work. He is also great at answering questions.

14 - What do you consider to be this TA's greatest weakness?	
Response Rate	11/19 (57.89%)

- Nothing
- Honestly cant think of any
- No weaknesses.
- His grading was really nit picky so I felt like it was hard to get a good grade even when I gave a lot of effort to do well.
- I can't think of any.
- nothing

- NOTHING!
- Daniel didn't have any major weaknesses. If I had to state anything it might be possibly maybe communicating with students better through emails? Overall he was amazing!

15 - Additional Comments for this TA, if any:	
Response Rate	8/19 (42.11%)

- Best TA I have ever had. Despite being a busy graduate student himself, he cares about our progress and is passionate about the material. Is always available to helo
- My favorite TA I have had at Clemson!
- Daniel is one of the best TAs I've had at my time at Clemson! Great job!
- BEST TA EVER, TA OF THE YEAR ROUND 2
- I've had him for both anatomy and physiology so far, and he's been one of my favorite TAs ever. He does such an amazing job!
- Loved working with Daniel! Great guy and great energy!
- I'LL MISS YOU DANIEL!!!!!!!!!!
- Daniel literally went above and beyond this semester in physiology lab. He was probably one of my top best TAs. He really helped me learn the material in this lab. He is a kind and well versed individual in his specialties. Great TAs!
